

Total Paper Solution

Good Morning, _____.

Is _____ here or available, my name is _____ and I am the Operations Manager with Enviro-Master Services, we sanitize, disinfect and protect your restrooms!

Hello _____, I stopped in to perform a Quality Control check and see how our technician is doing:

- Do you know the day service is performed?
- Do you know your technicians name?
- How is the service going for you?

In performing the Quality Control check, I noticed that several of your paper dispensers are broken or not working correctly, is this a concern?

The reason I ask is, part of my job is to look out for my customers; helping them improve the appearance within their facility while saving them time and money.

I know you must worry about running out and having to repair broken dispensers!

What I can offer is my Total Paper Solution Program and I take care of it all!

- No more broken dispensers
- No overstocked Storeroom

The Technician on the weekly service, will:

- Make sure your dispensers work
- Make sure they look good
- Make sure they have paper in them
- Make sure you have inventory in stock, before I leave

We can coordinate a day and time for installation, today.

Do you have any reason you wouldn't want to do this today?
