

## Toilet Seat Cover Solution

Good Morning, \_\_\_\_\_.

Is \_\_\_\_\_ here or available, my name is \_\_\_\_\_ and I am the Operations Manager with Enviro-Master Services, we sanitize, disinfect and protect your restrooms!

Hello \_\_\_\_\_, I stopped in to perform a Quality Control check and see how our technician is doing:

- Do you know the day service is performed?
- Do you know your technicians name?
- How is the service going for you?

In performing the Quality Control check, I noticed that the seat cover dispensers are not serviced, and some are broken.

Part of my job is to look out for my customers; helping them improve the restroom appearance within their facility by reducing odors, germs, bacteria, etc., while saving them money.

What I can offer is to take all that worry from you and have your technician take care of it during the weekly service visit. We will make sure:

- No broken dispensers
- No overstocked storeroom
- Dispensers are refilled, if needed, at the time of service
- No running out of Toilet Seat Covers
- Plus, they are biodegradable and will not clog your toilets!!!!
- They are \$\_\_\_\_\_ per sleeve

I can schedule to have the dispensers that are broken replaced – do you see any reason you wouldn't want seat covers today?
